Baby Street

A gentle session to help our tiny members with some simple forms of balance and co-ordination exercises. A great way to improve their social development at an early age.

Street Dance

An energetic workout dancing away to the best sounds around. A great workout and totally cool.

Dance TROOP

An energetic workout with well known choreographer Natalie Green. Get ready 'BRITAIN'S GOT TALENT'! Each session includes a final performance to remember.

Hip Hop

A little more floor based than Street. This session is ultra cool and guarantees a class to never forget.

Musical Theatre

A great session designed for a fun, energetic dance workout. Dance to hits of the famous musicals such as High School Musical, Hairspray, Mamma Mia, Footloose and lots, lots more...
